Message from our Tumuaki

MONDAY 14 APRIL 2025

Tena koutou katoa whānau. Nau mai, haere mai ki te Hata Meri Hōhepa - te Kura Katorika o Papamoa.

It has been a memorable and action-packed Term 1 of learning at Suzanne Aubert Catholic School. Our roll has been growing steadily and our tamariki have been immersed in a wide range of learning opportunities to explore our concept of Whānaungatanga - Belonging. Some recent key highlights from this term have been:

- **Pōhutukawa Learning Hub Blessing:** It was special to have Bishop Richard bless and officially open our Pōhutukawa Learning Hub at the end of term. Our senior Year 4-6 Kopukairoa learners are excited about shifting into their new learning environment for Term 2.
- **Holy Week Liturgies:** Each team presented their liturgies in the last week of term to share the stories of Jesus in the lead up to Easter. These included Palm Sunday, Washing of the Feet, The Last Supper and the Stations of the Cross.
- **Multi-Purpose Hall Construction:** Approval has been provided and construction is due to begin in the holidays for our multi-purpose hall which is scheduled to be complete in October. This will be a wonderful facility to host Masses, liturgies, learning celebrations and other events for the school, parish and local community.
- **Maths No Problem:** It has been rewarding to see our tamariki be immersed in our Maths No Problem program which supports our Maths curriculum learning. The learners are developing a mastery of foundational maths skills through a clear scope and sequence, problem solving and collaborative practice.
- **Movie Night:** Our school families were treated to an outdoor movie night in the last week of term to see the film 'Luck' for our Aubert Whānau Group fundraiser. There was an incredible turnout and a beautiful evening under the full moon to connect together as a school community.

Please enjoy this panui which includes important updates, information and highlights from our term.

Ngā mihi nui

Anthony Mills (Principal - Tumuaki)

HOLY WEEK LITURGIES

In the last week of term, our learners presented a series of liturgies to celebrate Holy Week which included telling the stories of Palm Sunday, the Washing of the Feet, the Last Supper and the Stations of the Cross. The learners performed these liturgies beautifully through drama and song and retold Jesus' journey to the cross with reverence and prayerfulness.

PALM SUNDAY - HIKURANGI (YEAR 0-1)

WASHING OF THE FEET - WHĀNAU ZILLWOOD (YEAR 4)

LAST SUPPER - MANGATAWA (YEAR 2-3)

STATIONS OF THE CROSS - KOPUKAIROA (YEAR 5-6)

PŌHUTUKAWA LEARNING HUB BLESSING

On Friday 4th April, Bishop Richard blessed and officially opened our new Pōhutukawa Learning Hub. This was a very special event within our foundation school journey and is a testimony to the growth of our Catholic learning community.

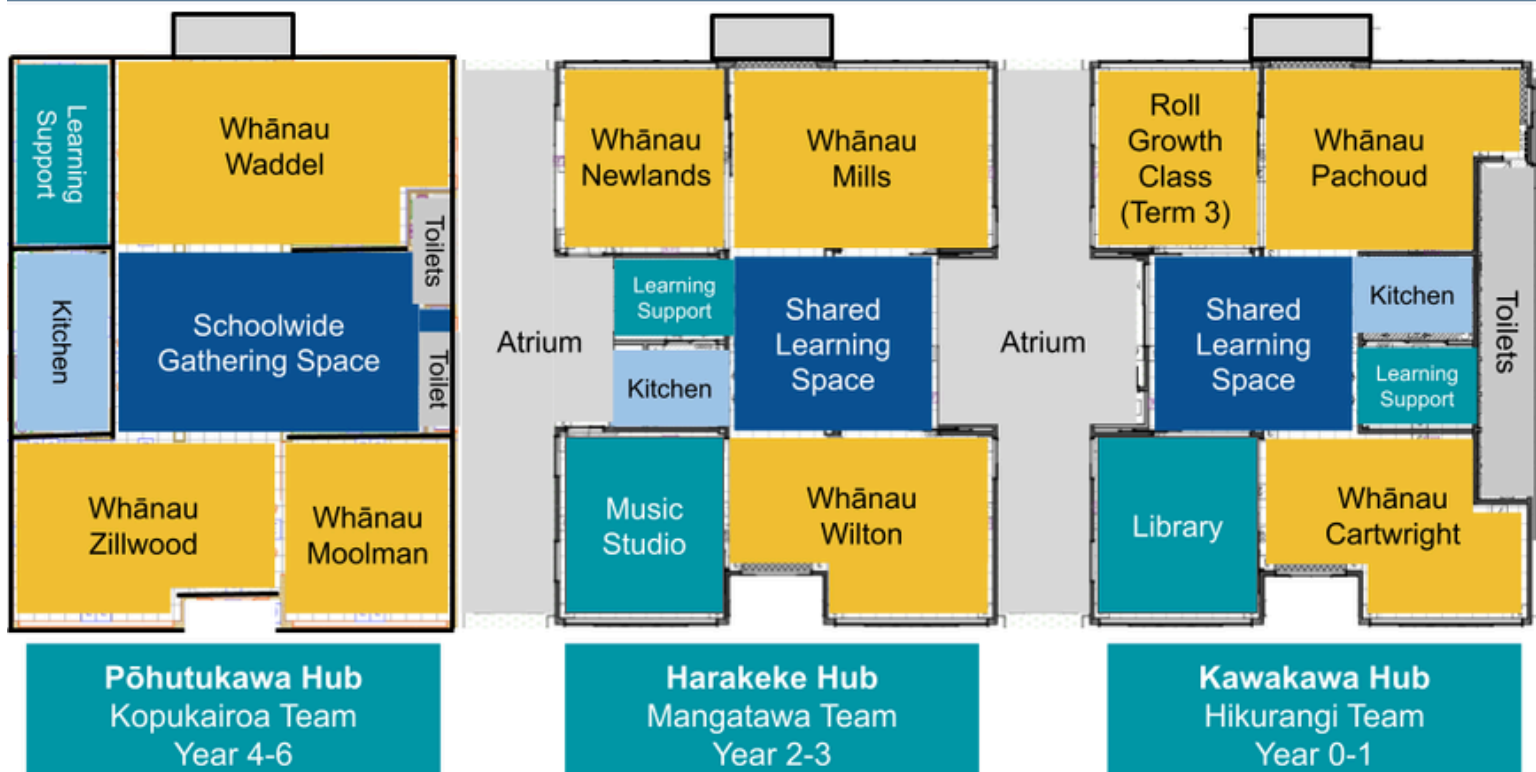

Thank You: We would like to take this opportunity to thank our Project Management team from IDS and the construction team at Watts and Hughes for designing and building such an inviting learning environment for our tamariki and kaiako. We would also like to specifically and personally thank Greg Dickey (Watts and Hughes Project Manager) for his professionalism, commitment, and craftsmanship throughout the process. Many thanks, Greg!

Pōhutukawa: Pōhutukawa was chosen as the name for the new hub as this was a significant native plant that was used in Suzanne Aubert's herbal rongoā (medicines) in the late 1800s and early 1900s. Pōhutukawa bark was used for its anti-inflammatory and antioxidant properties, particularly in skincare. The 'gold' Pōhutukawa flower was used in our branding and design rather than the traditional red as this is a special variety that originates on Mōtītī Island off the coast of Papamoa. Pōhutukawa now asserts itself with pride alongside our existing learning hubs Kawakawa and Harakeke, which were also chosen for their uses as native plants in herbal rongoā.

Hub Layout - Term 2: Our teaching teams have been busy moving furniture and setting up resources across their new learning hubs so they are ready for the beginning of Term 2. Please be aware that most whānau classes are moving learning spaces. Check out the map below to see the layout of learning environments so you can support your child with this transition when they return to school in Term 2.

HAERE MAI TO OUR NEW LEARNERS

In week 6, we were delighted to welcome 3 new learners to our Suzanne Aubert Whānau. Lui, Brooke and Noah have all joined Whānau Cartwright in Hikurangi.

Tauranga Primary Schools Music Festival 2025

Get ready to shine! Our annual Tauranga Primary School's Music Festival is back, and this year's theme, 'Songs from Sunny Days,' promises to be a bright and joyful celebration of music.

Imagine our Years 4-6 students filling the Baycourt Theatre with the sounds of sunshine! They'll be joining a huge inter-school choir and also showcasing their own school's amazing talent with a special performance. We'll be singing 10 fantastic songs, including some favorites like 'Life in Sunshine,' 'Tomorrow,' and 'Cover Me In Sunshine.'

This is a fantastic chance for our students to:

- Boost their singing skills.
- Dive into the world of musical expression.
- Build confidence by performing on a real stage!

Here are the sunny details:

- What: Tauranga Primary School's Music Festival
- When: The last week of August (Term 3)
- Time: 7:00 PM - 8:30 PM
- Where: Baycourt Theatre, Tauranga
- Theme: 'Songs from Sunny Days'

Want to be part of the sunshine? All Year 4-6 students are invited to join! We're starting practices this term, every Wednesday at lunchtime from 12:30 PM to 1:00 PM. Stay tuned for more information coming soon!

AUBERT KIDS

Congratulations to those tamariki who received an Aubert Kid award. We are very proud of these learners who have been demonstrating our school values (7Cs) in their learning and friendships.

AUBERT KIDS MORNING TEA

At the end of this term, our "Aubert Kids" were treated to an extra special morning tea in the staffroom. Nando's Mount Maunganui supplied us with hot chips, chicken and coleslaw wraps, chicken wings and some delicious baked custard tarts for our tamariki who had received an Aubert Kid Award over the past five weeks. Thank you to Ollie's Dad, Simon, for organising the yummy treats and Nando's for their generosity.

Special Catholic Character

A Message from our Director of Religious Studies

Kia ora whānau,

As we journey through Holy Week, we're filled with anticipation for the joy of Easter. Towards the end of term, the classrooms were buzzing with activity as the learners prepared their liturgies to bring the stories of Holy Week to life. In week 10, the students shared their heartfelt dramatisations of Palm Sunday, the Washing of the Feet, the Last Supper, and the Stations of the Cross. It was truly moving to see their understanding and reverence grow as they immersed themselves in these sacred narratives.

We're also incredibly excited to introduce our new Mini Vinnies leaders! We're so proud to have Zoey as President, Isaac as Vice President, Manseerat as Secretary, and Sieni and Tui as our Treasurers. Cheyenne and Lewis will be our Communications Officers. These amazing young people are not only our school's youngest service leaders but also the youngest within the wider St. Vincent de Paul community.

They're already showing remarkable dedication to living out our Catholic values. They have been busy making meals for families in need, contributing to our Pātaka kai (community pantry), assisting in the St. Vincent de Paul storeroom, serving our teachers, and supporting our youngest learners here at Suzanne Aubert. Their commitment to service and compassion is truly inspiring and a testament to the spirit of Lent and the hope of Easter.

We're blessed to have such dedicated students and look forward to sharing their preparations with you.

Ngā mihi nui,

Amie-Lee Mills (DRS)

Suzanne Aubert Catholic School

GIVING:

"For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, naked and you clothed me, ill and you cared for me, in prison and you visited me." (Matthew 25:35-36).

What can I do? Giving is just that, a service from one to another. Where we see a need we respond as we are able. We are challenged to do this in a more deliberate way during Lent and Holy Week. This could be giving to the Caritas Lenten appeal, volunteering your time to help an elderly neighbour or charity, or gifting to the Suzanne Aubert School Food bank appeal.

SUZANNE AUBERT BOOKWEEK - 2025

During the first week of next term (Monday 28 April - Friday 2nd May) we will be holding the annual **Suzanne Aubert Bookweek**. This is an exciting opportunity to promote literacy, explore quality literature and develop a love for reading among our tamariki. Check out some of the exciting events that will be happening during the week:

- **Scholastic Bookfair:** Our new library will be transformed into a space-themed reading hub where books will be on display for purchase. It is a wonderful opportunity to purchase books at a great price and also donate books to our school library. The overall amount spent at the bookfair will be converted into rewards for the school to purchase additional books for the library. The learners will all have a chance to visit the book fair during school time as well as before and after school with their families. The Bookfair will be open from 8am-3pm each day during Bookweek.
- **Local Author and Guest Readers:** We are excited to welcome back local author Rebecca Larsen on **Friday 2nd May** who will be sharing her collection of books and love for reading with our learners. She will also facilitate writing workshops with a group of Aubert Authors. Throughout the week, we will also have special guests reading to our classes.
- **Book Character Day:** On Friday 2nd May, we will celebrate our annual Book Character Day. This is an opportunity for our learners to dress up as their favourite book character. We will be having a parade at 8:45am and there will be prizes for the best dressed. See below for more details.

BOOK CHARACTER DAY 2025

We are excited to be celebrating our annual Book Week for our first week back next term:

Monday 28 April to Friday 2 May

This is an exciting opportunity to promote a love for reading and the joy of being immersed in quality literature. During this time we will be hosting a guest author, holding the annual Book Fair, having guest readers and entering writing competitions.

To celebrate this special week we will be holding **Book Character Day on Friday 2nd May**.

This is an opportunity for our learners to dress up as their favourite book character. Be as creative and imaginative as you can! There will be prizes available for the best dressed character from each Whānau class!

Come to Our Book Fair GRAND EVENT

Reading Is Out of This World!

 SCHOLASTIC

AUBERT MOVIE NIGHT - 'LUCK'

On Thursday 10th April, our school community hosted its very first outdoor Movie Night. It was wonderful to see so many school families come and enjoy the beautiful evening under the stars and a full moon watching the film 'Luck'. This movie was chosen following a vote by the students. Many thanks to the Aubert Whānau group for all their organisation and preparation towards such a successful fundraising event. We look forward to the next one!

ERO REVIEW - TERM 2

Next term, we will be hosting the Education Review Office (ERO) team for our schoolwide review from **Tuesday 17th June to Thursday 19th June**. This is an evaluative process that all New Zealand kura work through over a regular cycle with the aim of school improvement. The key areas that reviewers will be evaluating will be:

- Leadership
- Curriculum
- Teaching and Learning
- Professional Capability
- Inclusion and wellbeing
- Partnerships
- Stewardship and Governance
- Te Tiriti o Waitangi
- Evaluation

During their visit, the review team will analyse documentation, facilitate classroom observations and meet with key stakeholders including Board members, leadership team, staff and students.

THE AUBERT WHĀNAU GROUP

The Suzanne Aubert Whānau group gathered this term for the first meeting of 2025, we welcomed some new members and began planning events and fundraising activities for the year. Thank you to everyone who supported fundraising this term by ordering yummy hot cross buns and attending our first outdoor movie night. A special thanks to Amber Kedian and Victoria Dawson who led the movie night event. Stay tuned for Term 2 activities, including a kids 'Knowledge-a-thon' and regular 'fun Friday' lunch opportunities.

We would love to gain feedback and ideas from the wider school community to help shape future events and activities, so keep an eye out for a short whānau survey coming to you in Term 2.

As always, we encourage anyone who would like to be involved to attend our next meeting, which will be held on Thursday 15th May, 5:30pm (week 3).

New Function - Class Reps

This year the Suzanne Aubert Whānau Group has appointed a Class Rep for each class. The Class Rep will act as a conduit between parents, teachers and Whānau Group activity. One of the key roles of the Class Rep is to encourage involvement in the Sunday morning Whānau Masses, please check term dates to see when the whānau masses are.

Class reps:

Whānau Cartwright - Adriana Litchfield.

Whānau Newlands - Sarah Jory

Whānau Mills - Paul & Victoria Dawson

Whānau Moolman - Seanna Higgs

Whānau Pachoud - Angelina Seuser

Whānau Wilton - Agnès Peyron

Whānau Zillwood - Sammy Jarvis

Whānau Waddel - Sarah Lewis

The Class Reps will be in touch to introduce themselves early in Term 2.

Pastoral Care Update:

As we all know life has its ups and downs, and sometimes a little extra support can make all the difference. That's where our Pastoral Care Team comes in. Whether someone is celebrating a new baby, recovering from an injury, grieving a loss, or just going through a tough time, we're here to help. We offer meals, care packages, friendly check-in phone calls, prayers and more.

If you or someone you know in our school community could use a bit of support, we've now made it even easier to reach out. Simply fill out the new **Pastoral Care Request Form** available in the school office. All requests are handled with care and confidentiality.

Introducing our new Aubert Whānau Group Chair

Hi, I'm Clare, Isla and Lachie's mum. My husband (Stu) and I relocated from Auckland to sunny Papamoa 9 years ago. It was always my plan to return to the Bay to raise a family. I grew up in Rotorua attending St Michael's Primary School and John Paul College. I love the values and sense of community that a Catholic school embodies and feel blessed to have been part of Suzanne Aubert since its foundation year.

I joined the Suzanne Aubert Whānau Group this year to support the school and the other hard working Whānau Group members with fundraising initiatives and school events. Career wise, I am a Consultant Project Manager within the Health Industry, I believe my experience in this line of work will be useful in my role as Chair of the Suzanne Aubert Whānau group.

SPORTS UPDATE

It has been a busy term of sports to kick off 2025, with over 50 of our tamariki playing rippa rugby across 6 teams and another 10 learners playing Flippaball. Our Kopukairoa learners have also had the opportunity to compete in some exciting external events, including Top Schools, Boys Playing Sports, Supersmash Cricket and Flag Football. We have been lucky to have representatives from both BOP Cricket and Flag Football come out to school and run training sessions for our children. We are now preparing for the winter sport season where we will be again entering teams in Basketball, Hockey and Netball. If you have not yet completed the sports registration form, you can do so [here](#).

SWIMMING SPORTS

Our School Swimming Sports event was held at Papamoa Primary pool in early March. We had 28 learners from year 3 through to year 6 competing in swimming races across a number of disciplines and swimming lengths. From this, seven of our Kopukairoa learners swam the qualifying times to be able to compete in the Papamoa Swimming Clusters on Tuesday 1 April. Congratulations to Imogen, Maddy, Lauren, Sarah, Brooke, Xavier and James who all took part. Thank you to those parents who gave up their time to support the children at the event and to also work as time keepers.

CELEBRATIONS

A number of our Suzanne Aubert tamariki played cricket for the Papamoa Cricket Club in term 1 and all enjoyed a great season!

At the end of season prize giving, a number of our learners received awards. For the Papamoa Orcas, the Coaches award went to Kingston and Harrison, Most Improved went to Benji and Isaac was awarded Best All Rounder. Harry was also awarded Best All Rounder for his team and Joe received the Most Improved award for this team. Ka pai te mahi.

Sunday 6 April was the finals of the Papamoa Tennis Club Championship. Marcus won the 10U Boys Singles final, becoming the 10U Boys Singles Champion for the 2024/25 season! In addition, Marcus and his tennis partner Luke won the 10U Boys Doubles, making them the 10U Boys Doubles Champions for the season.

SCHOOL ORCHARD UPDATE

After three weeks of hard work, digging trenches, laying pipes and fitting hoses, our amazing caretaker Les and equally amazing Nina from PIPS - People & Plants in Schools have created an irrigation system for our school orchard. They were very excited when turning on the bore tap and seeing the trees getting a good soak!

TEACHER ONLY DAY

We will be having a teacher only day on **Friday 30th May (week 5)**. Please be aware that school will be closed on this day. The focus for this day will be to enable our staff to engage in further professional learning for our Maths No Problem program. This program is being used to enhance our schoolwide implementation of the revised Maths Curriculum.

THE CITY GWEN BAARS (YEAR 1)

A long time ago, the city was
yellow at night.

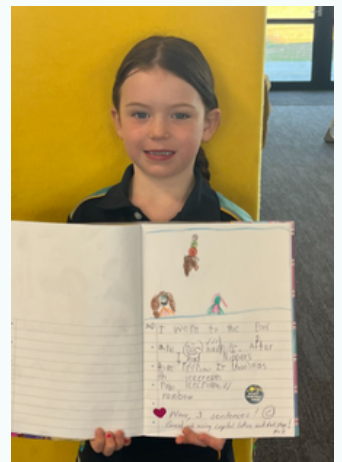

BOOGIE BOARDING MILA ANDERSON (YEAR 1)

I went boogie boarding
at the beach.

MY BUSY WEEKEND ISABEL ANDREW (YEAR 1)

I went to the Pool and nippers. After I had nippers, I
had ice cream. It was rainbow ice cream.

MY DAY WITH THE BFG FRANKIE TOULMIN (YEAR 3)

First when I woke up suddenly I was in a cave. I realised I was in the BFG cave. Then I heard a thud "aaaaaaaaaaaa" it was the BFG but I forgot he was kind. "Hello" he mumbled. First thing we did was eat a snozzcumber, they were disgusting. I spat it out. After that we went galloping off to dream country. I had to be as still as a starfish when I got there. "We is here now" The BFG shouted. I became as still as a starfish. "Wait", he whispered, " I can hear a dream". " The net, the net" he shouted. I gave him the net and he got the dream, hurray!

"I need a jar" the BFG said.I handed him the jar. He captured the dream. "Now let's go home." So we galloped back. When we were home I said " can we go to the pool?" "Whats a pool?" the BFG asked. I replied " A pool is something you swim in where I live"..Sounds fun "Lets go" and he put me in his pocket..to be continued..

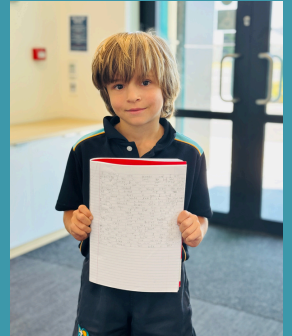

SHRUNK

ALEXANDER KLEANTHOUS (YEAR 3)

I woke up one morning and I was microscopic. I was so small, my bed was as tall as a skyscraper. It was so scary. Jumping from the bed to the floor, the carpet was like a forest. I started to walk across the forest and I found a flea. It was as big as a horse. At once I had a brainwave. I would jump on the flea's back and ride it like a horse to get around faster. I was amazed how fast it could go. I thought it was going as fast as a car. At once, I saw a foot as big as a school. The flea started going as fast as it could and we just missed it. I was so scared after it happened.

After a while I got used to dodging feet. I found food, every crumb my family dropped was as big as a boulder. I drank water from my cat's water bowl. It did not taste nice.

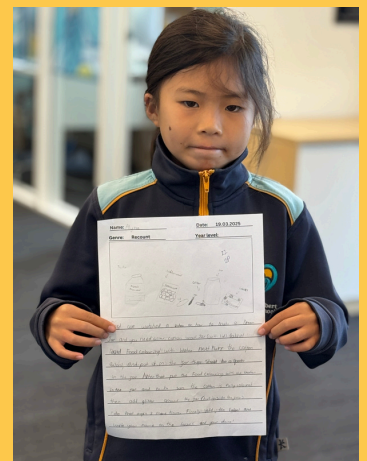

By then it was getting dark. I rode the flea back to my room. I hopped off the flea's back and landed on the floor with a thump. I lay down on the floor and fell asleep. In the morning, I was back to my regular size.

HOW TO MAKE A DREAM JAR

ALYSSA CHOOI (YEAR 3)

First we watched a video on how to make a dream jar. You need glitter, cotton wool, jar (with lid), label and food colouring with water. Next fluff the cotton wool and put it in the jar. There should be a quarter in the jar. After that put the food colouring with the water in the jar and make sure the cotton wool is fully coloured. Then add glitter around the jar (but inside the jar). Repeat that two more times. Finally add the label and write your name on the label. And your done!

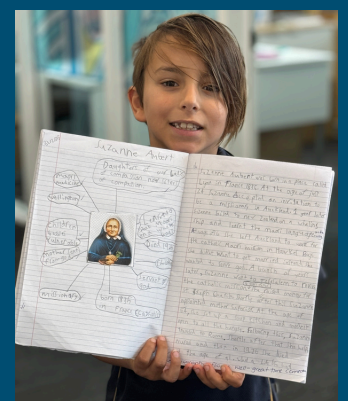

SUZANNE AUBERT

EZRA BADENHORST (YEAR 4)

Suzanne Aubert was born in a place called Lyon in France 1835. At the age of just 24, Suzanne accepted an invitation to be a missionary in Auckland. One year later Suzanne sailed to New Zealand on a whaling ship and learnt the Maori language on the way. At age 36 she left Auckland to work for the Catholic Maori Mission in Hawkes Bay. She didn't want to get married instead she wanted to serve God.

A bunch of years later, Suzanne went to Jerusalem to revive the Catholic Mission. Six years later she raised money for St Joseph's Church. Shortly after this Suzanne was appointed Mother Superior. At the age of 64, she set up a soup kitchen and made it open to all the hungry. Following this, Suzanne travelled to Rome. Shortly after that she helped nurses and then in 1926 she died at the age of 91. What a life she had.

MISSING BEAU GUTHARDT (YEAR 5)

One sunny afternoon, Brooke was playing in her backyard with her dog Lily next to the pool, on her dad's freshly mowed grass. While throwing a ball, she accidentally threw it too hard and it went over the fence. Then her new two-week-old labradoodle named Lily sprinted out of the gate, somehow breaking the door, as Brooke ran after her dog, trying to stop her from running into the woods.

But she couldn't find her, so she ran back home to tell Mum what happened. As Mum and Brooke ran out to find Lily, Dad made flyers in case they couldn't find her. About 10 minutes later, Brooke and Mum returned without Lily, and Brooke told Dad to put up the flyers. As the flyers were put up, neighbors were told and search parties were arranged. Brooke stayed in her room, losing hope every day that her dog would not come back.

But then one day, Sam, her neighbor, went out to find Lily. About 30 minutes later, Sam called Brooke's mum to tell her he found Lily in a pile of leaves. When Brooke was told, she ran out the gate and into the forest to where Sam said to go.

At first, Brooke could only see Sam. But out of the dark came Lily. Brooke was so excited; she ran up to Lily and gave her a big hug as Lily wagged her tail. Then Sam and Brooke took Lily home to Mum and Dad, where they hugged Lily like never before. As Lily wagged her tail and barked with joy after her little adventure.

12TH APRIL - 28TH APRIL

TUESDAY 15TH

UNDER THE SEA

Join us for a day filled with creativity as we transform old soda bottles into octopuses, craft crab figures from toilet rolls, and design realistic 3D paper stingrays along with turtle foam lolly holders!

TUESDAY 22ND

RAGING ROBOTICS

What a thrilling theme, Raging Robotics! Where we will create robots from paper rolls, design unique robot masks, and craft realistic robots entirely from recycled materials. Don't hesitate to bring along any materials you'd like to use for adding a personal touch to your creations!

WEDNESDAY 16TH

BOOK CHARACTER DAY

Come dressed as your favorite book character and don't forget to bring your beloved book along! We will dive into the world of origami, creating mini books, paper carry bags, and our very own bookends to proudly display on our home shelves.

WEDNESDAY 23RD

WHEEL WONDERLAND

All things wheels—peg cars that glide and move, reused bottle cars that spin, 3D pasta wheel art, and a spinning Ferris wheel sure to fascinate the young minds. This day will be wheely fun.

THURSDAY 17TH

PYJAMA PARTY

Who doesn't enjoy hopping out of bed and hopping straight in the car for a day filled with exciting pajama party activities? Join us in your pyjamas as we create our own foam slippers, design teddy bear cards, and practice our knitting skills by crafting adorable teddy bear faces.

THURSDAY 24TH

SWEET TREATS

For the candy lovers in your home, we have a delightful array of treats! Create giant, vibrant lollipops using pipe cleaners, design 3D hot cocoa cards as gifts for family or friends, and whip up an edible marshmallow fruit loop rainbow. To top it all off, you'll learn how to make your very own candy dots using just a few simple ingredients from your kitchen.
