## Message from our Tumuaki

THURSDAY 12 JUNE 2025

Tena koutou katoa whānau. Nau mai, haere mai ki te Hata Meri Hōhepa - te Kura Katorika o Papamoa. It has been an exciting and memorable term of learning at Suzanne Aubert Catholic School for Term 2. Our roll continues to grow as we welcomed a very large cohort of 18 new learners this term! Our tamariki have been immersed in a wide variety of learning opportunities connected to our Term 2 concept of 'Whakatomene - Explore'. Some recent key highlights from this term have been:

- **New Learning Hub Layout:** With the availability of the new hub, it has been great for our three teams to spread across the three learning hubs. This has been a positive opportunity for our learners and staff to collaborate and work together within their new learning environments.
- **Children's Bookweek:** Our annual Children's Bookweek in the first week of term included quality literature, a local author visit, guest readers and helped to promote a love of reading in our school. The week concluded with our incredible Book Character Day where all the learners dressed as their favourite book character.
- **Library Launch:** Another highlight has been the launch of our central school library in the Harakeke hub which classes are now visiting regularly. This has become a wonderful place for our learners to be transported to a world of imagination, knowledge and wonder. Many thanks to Maria in the office for her set up and management of the library space!
- **Canberra Study Tour:** Our Senior leadership team had an inspiring study tour to Canberra where they visited schools in the Catalyst Project and participated in professional learning with lead educators in Australia. The tour was focused on the science of learning, cognitive load theory, explicit instruction and High Impact Teaching Practice (HITP).
- **Cross Country:** It was wonderful to see our learners demonstrate courage, collaboration, compassion and a competitive spirit in our school cross country at Wairakei Reserve. This was a great opportunity for our tamariki to showcase the running skills they have been developing as part of the PE programme this term.

Please enjoy this panui which includes important updates, information and highlights about our school in Term 2.

Ngā mihi nui, Anthony Mills (Principal - Tumuaki)

# HAERE MAI TO OUR NEW LEARNERS

At the beginning of term 2 we were delighted to welcome 18 new learners to our Suzanne Aubert Whānau. Twelve have joined our year 0-1 team in Hikurangi and 6 more spread across Mangatawa and Kopukairoa.

## HAERE MAI MOLLY

We are also very excited to welcome our latest teacher to the Suzanne Aubert team! Welcome to Miss Molly Thornton who has joined our whānau as the New Entrant roll growth class teacher (Whānau Thornton). Molly brings teaching experience across a range of year levels in local schools and is looking forward to starting in Term 3. It is wonderful to welcome another graduate of our local Catholic Schools to our kura (Molly attended St Mary's Tauranga and Aquinas College as a student). She is currently facilitating transition visits at school and ECE visits for our newest learners who start next term. Welcome to the Suzanne Aubert learning community Molly!

# AUBERT KIDS

Congratulations to those tamariki who received an Aubert Kid award. We are very proud of these learners who have been demonstrating our school values (7Cs) in their learning and friendships.

## A Message from our Director of Religious Studies

Kia Ora Whānau,

This week we have celebrated Pentecost, bringing with it the end to our Easter season. It is hard to believe that it has been 50 days since we celebrated Easter!

The word Pentecost actually comes from the Greek word *pentekoste* which means fiftieth. On Pentecost we celebrate the Holy Spirit coming to the apostles in the upper room as a mighty wind and tongues of fire. It is the birthday of the Catholic church, because after receiving the gift of the Holy Spirit the apostles went out and began preaching the good news of Jesus.

Celebrating this feast day is a wonderful way to celebrate the gift of the Holy Spirit and the Catholic church! I love Sunday feast days, because it usually allows a little extra time to be devoted to celebrating. Celebrating a Feast Day doesn't have to be elaborate or time consuming. In our home a celebration usually includes creating a little display (with icons or pictures from the internet), some type of themed food and a book/prayer/discussion. I find themed food helps build a little excitement and draws them into the learning/prayer time.

### Simple Ways to Celebrate

Below are a collection of super easy and fun ways to celebrate feast days at home. Choose one or combine a few to celebrate with your Whānau.

#### Dress Liturgically

Of course attending Mass is the first way to celebrate! Red is the liturgical colour for the feast of Pentecost, and wearing red is a great way to get into the spirit of the season. It can also be a great conversation starter with your kids!

#### Set the Mood with Music

The start of Pentecost is really the Holy Spirit, so play a playlist that is all about the Holy Spirit! You can have it playing as you get ready for Mass, fix a meal or music falls into this category. I love:

- Holy Spirit – Francesca Battistelli
- Oceans- Hillside United
- Breathe on Us - Kari Jobe
- Fullness - Elevation Worship
- Here as in Heaven - Elevation Worship

#### Have a Colouring Session

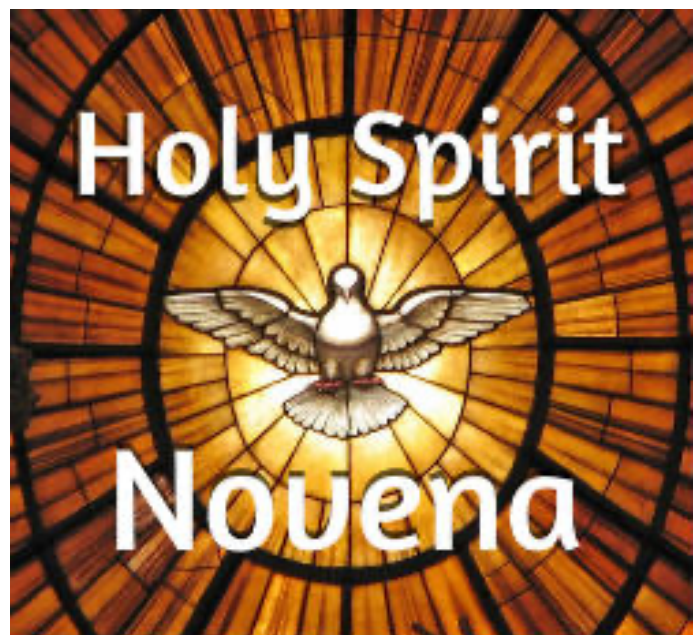

If you have kids (or adults) in your home that love to colour here are a few colouring pages that I like. Play some music and pull out the felts! **Here** are some fun free colouring pages.

#### Call Upon the Holy Spirit

This feels a little bit like a no brainer, but here are some special prayers to the Holy Spirit that would be perfect for the season.

- **Litany of the Holy Spirit**
- **Veni, Sanctus Spiritus**
- **Novena to the Holy Spirit**– This is often said on the 9 days leading up to Pentecost, but I can't imagine there is a bad time to start a Novena.

Happy Pentecost season! Enjoy!

Blessings always,  
Amie-Lee Mills

## SACRAMENTS OF FIRST HOLY COMMUNION & CONFIRMATION

Congratulations to our tamariki Luke, Rehan, Harrison, Clay, Lauren and Cam who recently celebrated a very special milestone in their faith journey when they received their First Holy Communion and Confirmation. We are so proud of the reverence, joy, and commitment each of them has shown. We also congratulate Lauren and Nelle who began their faith journey with us here at Suzanne Aubert Catholic School and are now continuing it at Aquinas. May the gifts of the Holy Spirit guide you always, and may you continue to grow in faith, hope, and love.

**"Be sealed with the gift of the Holy Spirit."**

God bless you all on this sacred day!

## BOOK FAIR

We held our annual book fair in the first week of term and it was wonderful to see the children's excitement when they came through. We were lucky to have the space designated for our new school library in which to display all of the books and our tamariki excitedly brought their parents grandparents and other family / friends through. The book fair was well supported and resulted in us making **\$1,700 in Scholastic Book Vouchers** which can now be used to purchase more books for the school library and also chapter book sets for use in class reading programmes. Thank you to everyone who came along and supported this event. We look forward to our next one in 2026.

## BOOK CHARACTER DAY

Friday 2 May was Book Character Day and it was a wonderful way to celebrate the end of Children's Bookweek. It was great to see our learners dressed up as their favourite book characters and it was awesome to see such creativity! Congratulations to all the students who won best dressed in each whānau class: Sophie, Pedro, Gwen, Willa, Dylan, Jacob, Amariah, Maddy, Elizabeth and Sieni. Congratulations also to our highly commended: Frankie, George, Jack, Oliver, Wyatt and Zoe. The staff also got involved, dressing up as a range of book characters including Peter Pan, The Wonky Donkey, and characters from Alice in Wonderland.

It was also exciting to have our special guest local author Rebecca Larson join us for the day. She shared her creativity and passion for writing with each of the whānau classes.

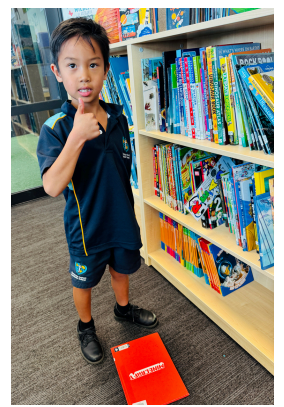

Thanks also to the Aubert Whānau Group for organising the yummy pizza lunch for our tamariki!

## LIBRARY LAUNCH!

It was with great excitement that we opened the Suzanne Aubert Catholic School library in week 3. Our lucky tamariki from Mangatawa were the first learners to have the opportunity to visit the library and check out a book for the week. There was a lot of excitement and it was fabulous to see them choosing a book and finding a space in the new library to read. All our learners in Hikurangi and Kopukairoa have now also had the chance to visit the library and it is awesome to see the classrooms rostered and using this literacy space each week.

## ERO REVIEW - TERM 2

A reminder that we will be hosting the Education Review Office (ERO) team for our schoolwide review next week from **Tuesday 17<sup>th</sup> June to Thursday 19<sup>th</sup> June**. This is an evaluative process that all New Zealand kura work through over a regular cycle with the aim of school improvement. The key areas that reviewers will be evaluating will be:

- Leadership
- Curriculum
- Teaching and Learning
- Professional Capability
- Inclusion and wellbeing
- Partnerships
- Stewardship and Governance
- Te Tiriti o Waitangi
- Evaluation

During their visit, the review team will analyse documentation, facilitate classroom observations and meet with key stakeholders including Board members, leadership team, staff and students.

## CROSS COUNTRY

On Wednesday 21 May we held our school cross country at the Wairakei Reserve. We were extremely lucky with the beautiful weather and it was fantastic to see all of our tamariki using our 7Cs by being compassionate, courageous and collaborative. There were some tightly fought races and you could see the effort and courage of many of our learners as they dropped to the ground after crossing the finishing line. Congratulations to the place getters from each year level as seen in the photographs below. Thank you to Mr Moolman for organising such an awesome event, he even had the weather cooperate! Thank you also to all the parent helpers, to Clare, Lisa and the Aubert Whānau Group for organising the sausage sizzle and juicies, to Brendon Hannah Real Estate - Ray White and Anna for supplying and cooking the sausages and to all our families and whānau for supporting our tamariki running. It was a great day.

### YEAR 0

Boys: 1<sup>st</sup> Leon, 2<sup>nd</sup> Elijah, 3<sup>rd</sup> Jagger  
Girls: 1<sup>st</sup> Maddie, 2<sup>nd</sup> Isla, 3<sup>rd</sup> Harper

### YEAR 1

Boys: 1<sup>st</sup> John, 2<sup>nd</sup> Pedro, 3<sup>rd</sup> Lui  
Girls: 1<sup>st</sup> Taya, 2<sup>nd</sup> Alessandra, 3<sup>rd</sup> Penelope

### YEAR 2

Boys: 1<sup>st</sup> Hugo, 2<sup>nd</sup> Ruairidh, 3<sup>rd</sup> Alfie  
Girls: 1<sup>st</sup> Becky, 2<sup>nd</sup> Edie, 3<sup>rd</sup> Estelle

### YEAR 3

Boys: 1<sup>st</sup> Harry, 2<sup>nd</sup> William, 3<sup>rd</sup> Liam  
Girls: 1<sup>st</sup> Mila, 2<sup>nd</sup> Everly, 3<sup>rd</sup> Geovana

### YEAR 4

Boys: 1<sup>st</sup> Adam, 2<sup>nd</sup> Wyatt, 3<sup>rd</sup> Lachlan  
Girls: 1<sup>st</sup> Quinn, 2<sup>nd</sup> Lucy A, 3<sup>rd</sup> Giulia

### YEAR 5

Boys: 1<sup>st</sup> Brax, 2<sup>nd</sup> Carter, 3<sup>rd</sup> Elijah  
Girls: 1<sup>st</sup> Kayley, 2<sup>nd</sup> Sadie, 3<sup>rd</sup> Lauren

YEAR 6 Boys  
1<sup>st</sup> Jacob, 2<sup>nd</sup> Lewis,  
3<sup>rd</sup> Isaac

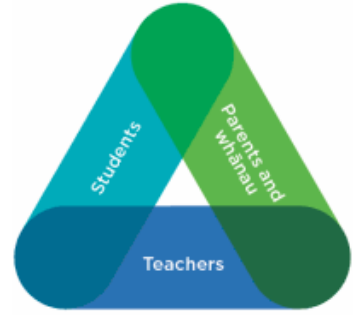

YEAR 6 Girls  
1<sup>st</sup> Tui-May, 2<sup>nd</sup> Sieni,  
3<sup>rd</sup> Isabella

# COMMUNICATING LEARNING TO PARENTS & WHĀNAU

At Suzanne Aubert Catholic School we believe in the importance of a learning focused partnership between ākonga (learner), whānau (family) and kaiako (teachers). This is the key to setting your child up for success in their learning at school. A key part of this partnership is communicating information to parents and whānau about your child's progress and achievement. At Suzanne Aubert Catholic School, we communicate formally about learning progress and achievement in various ways. This includes progress reports, learning partnership hui, learning stories and learning celebrations.

## National Curriculum Refresh

As you will be aware, a refreshed national Curriculum (Te Mātaiaho) is currently being implemented in New Zealand schools. This new curriculum is underpinned by the science of learning and is characterised by a scope and sequence of progress outcomes that students are expected to master at each Year level. The Ministry of Education require that all schools teach and report progress within this refreshed curriculum from 2025 onwards. **IMPORTANT:** Reporting alongside our new curriculum from 2025 onwards will differ from the previous reporting formats as the school is reporting against a new set of expectations and progress outcomes for each Year level. As it is a new implementation, 2025 will be considered a transition year as we work through the process of reporting progress to parents with fidelity and accuracy according to a new set of measures.

## Mid Year Reporting

At the end of term, we will be publishing our mid-year progress and achievement report to parents and whānau alongside information about how this has changed from previous formats. As always, this will include:

- **Learning Progress:** An indication of your child's reading, writing and maths achievement. This will be provided as an overall teacher judgment (OTJ) which has been collaboratively made by your child's teaching team using assessment data and evidence collected over time. This OTJ is made about your child's progress according to national curriculum expectations for their Year level at the middle of the year and will be communicated as one of the following statements:
  - a. Student is currently working towards curriculum expectation
  - b. Student is currently working within curriculum expectation
  - c. Student is currently working beyond curriculum expectation

This will be accompanied by a graph plotting your child's current achievement alongside curriculum expectations.

- **Learning Goals:** These goals indicate the strategies and skills your child will be working on in reading, writing and maths to achieve the next stage of their curriculum development. These will include ways you can support your child in their learning at home.
- **Learning Principles (7Cs):** This is a rubric to indicate how your child is achieving according to indicators of the Suzanne Aubert Principles (7 C's): Christ-like, Compassionate, Collaborative, Creative, Curious, Connected and Courageous. This will appear on the rubric as a frequency scale of how often your child demonstrates these principles. This section will be accompanied by a written general comment from your child's whānau teacher which summarises their integrated curriculum learning and development according to these principles.

## Whānau Learning Conferences

To support our mid year reporting about progress and achievement, we will be hosting our annual Whānau Learning Conferences early in Term 3. This is an opportunity to have a conversation with your child's whānau teacher about their learning progress and achievement and set goals for the remainder of the year. More details about this event and how to book for the conferences will be shared at the end of term when reports are published.

# THE AUBERT WHĀNAU GROUP

## Knowledge-a-thon

This term we will host our first ever knowledge-a-thon fundraiser. Students have already received their sponsor forms and questions to learn, you can also access these using the links below, or ask Maria for a printed copy.

- [Sponsor Form](#) (this includes a cover letter explaining how it all works).
- [Years 0-1 Questions](#)
- [Years 2-3 Questions](#)
- [Years 4-6 Questions](#)

The knowledge-a-thon is a celebration of learning, it will be fun and inclusive with all children receiving a prize and certificate on the day for participation, as well as going in the draw to win fun prizes. The knowledge-a-thon will take place in the last week of the term, during school hours, on Tuesday 24th of June.

## What's next?

Events for term 3 include a bingo night for parents and the annual school disco for students. Stay tuned for details!

## Whānau Survey

The Aubert Whānau Group wants to hear from you! We're gathering feedback and ideas from our school community to help plan exciting fundraising activities and events for the future. Your input will help us in prioritising what's most important as we create our fundraising plan for 2025 and beyond. It will only take a few minutes of your time, please click [here](#) to complete the survey (if you haven't already).

## Pastoral Care Update

As we all know life has its ups and downs, and sometimes a little extra support can make all the difference. That's where our Pastoral Care Team comes in. Whether someone is celebrating a new baby, recovering from an injury, grieving a loss, or just going through a tough time, we're here to help. We offer meals, care packages, friendly check-in phone calls, home help, carpooling, prayers and more. If you or someone you know in our school community could use a bit of support, we've now made it even easier to reach out. Simply fill out the new Pastoral Care Request Form available in the school office. All requests are handled with care and confidentiality.

## Next Meeting

As always, we encourage anyone who would like to be involved to attend our next meeting, which is Monday 16th of June (note this has moved from its usual Thursday night slot due to the Matariki long weekend).

## FINANCIAL SUPPORT FOR SCHOOL FAMILIES

We would like to remind ALL school parents and whānau that there is access to financial support within the school for those families that are struggling to cover costs for the various financial commitments at Suzanne Aubert. This includes financial support for uniform, attendance dues or camp fees. If you would like to know more, please make contact with the Principal at [principal@suzanneaubert.school.nz](mailto:principal@suzanneaubert.school.nz) to discuss options. Please be reassured this process is managed with care and confidentiality.

## SPORTS UPDATE

We are now well into the winter sports season with the local basketball and netball competitions running since the beginning of term. It is great to see a large number of our tamariki participating in these team sports and we currently have three basketball and six netball teams competing against the other local primary schools. A big thank you to our coaches and managers for putting up their hands to run all of these teams. We couldn't have so many of our children playing sports without them.

**SACS Stars - Year 1 Netball**

**SACS Pulse - Year 3 Netball**

**SACS Stars - Year 1-2 Little League Basketball**

## CROSS COUNTRY CLUSTERS

Following the success of our school cross country, our first five placegetters in years 4-6 (Boys and Girls) qualified to compete at the Papamoa Cluster Cross Country. Despite the wet weather, the event went ahead, and our tamariki had the chance to run against the top cross country runners from the other local primary schools. Excitingly, Tui-May finished 3<sup>rd</sup> in the year 6 girls race and Kayley achieved 7<sup>th</sup> place in the Year 5 Girls which meant both qualified to compete at the Western Bay of Plenty Clusters on 10<sup>th</sup> June.

## TOUGH GUY AND GAL CHALLENGE

The annual Tough Guy and Gal Challenge was held at Mercury Arena on Wednesday 9 June and a number of our tamariki braved the elements to take part. The rain pelted down most of the morning and certainly made for a muddy obstacle course!

## U12 WATER POLO

Earlier this term, James, Brooke and Imogen all competed for Tauranga Water Polo in the U12 water polo tournament which was held at BayWave. Competing against teams from other clubs throughout the North Island, our tamariki showed great courage and amazing growth in skill and teamwork throughout the tournament. It was great to see other ex Suzanne Aubert students, Mateo and Laon, also competing. They will all have another chance to compete at the upcoming Matariki Tournament at AUT Millennium in Auckland.

# Aubert Authors!

## MY WEEKEND MANROSE KAUR (YEAR 1)

I went to the movies.  
I am with my mum.

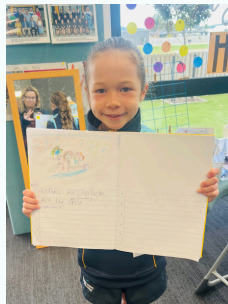

## MY WEEKEND BROOKE BARRETT (YEAR 1)

I went to Classic Flyers.

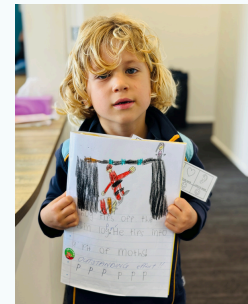

## CROSS COUNTRY PENELOPE SEUSER (YEAR 1)

I ran past Alessandra at the  
Cross Country.

## THOG ORLANDO MILLS (YEAR 1)

Thog tips off the thin log.  
He tips into a pit of moths.

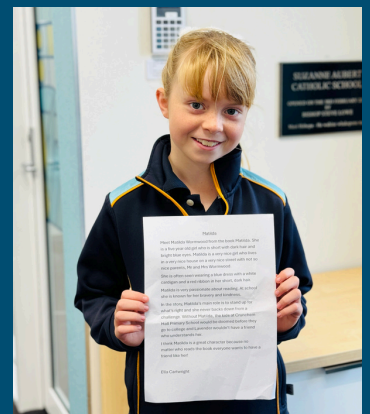

## MATILDA ELLA CARTWRIGHT (YEAR 4)

Meet Matilda Wormwood from the book Matilda. She is a five year old girl who is short with dark hair and bright blue eyes. Matilda is a very nice girl who lives in a very nice house on a very nice street with not so nice parents, Mr and Mrs Wormwood. She is often seen wearing a blue dress with a white cardigan and a red ribbon in her short, dark hair.

Matilda is very passionate about reading. At school she is known for her bravery and kindness.

"In the story, Matilda's main role is to stand up for what's right and she never backs down from a challenge. Without Matilda, the kids at Crunchem Hall Primary School would be doomed before they go to college and Lavender wouldn't have a friend who understands her.

I think Matilda is a great character because no matter who reads the book, everyone wants to have a friend like her.

## EARTH BRIXTON DICKEY (YEAR 3)

<b>Solar Journey</b> It takes 365 x 1/4 days for earth to orbit the sun. The earth travels around the sun in an oval shape.	<b>Surface &amp; Climate</b> The earth is made up of trees, dirt, plants, water. The weather can be hot cold or cloudy.
<b>Orientation</b> The earth is 147-152 million km from the sun. The earth is the third planet from the sun.	<b>Special Features</b> Earth is the only planet where people can live. The earth has oxygen.

By: Brixtton

Sketch

Photo

## VENUS ALYSSA CHOOI (YEAR 3)

<b>Orientation</b> Venus is the second planet from the sun. Venus is the hottest planet. A year is 225 days. A length of a day is 116 days 18 hours 9 minutes.	<b>Surface &amp; Climate</b> Temperature around 475°C Venus atmosphere is composed of carbon dioxide and clouds of sulfuric acid.
<b>Solar Journey</b> Venus has no moon. Venus is 67 million miles away from the sun.	<b>Special Features</b> The size of Venus is 12,104 km. It's almost the same size as Earth.

By: Alyssa

Sketch

Photo

## CROSS COUNTRY LUCY ARNOLD (YEAR 4)

Yesterday I was so excited because it was cross country! Cross country is a run. It was 2.5km and so tiring because I decided to run fast at the start, but it was not a good idea. Secondly, I was first at the start but close to halfway. Quinn was in front. I tried to beat her because I wanted to win for my dad because he didn't get to watch me because he was in Auckland. Eventually I was so close to the finish line but Quinn was first! But then I finally made it to the finish line all puffed and my legs were aching, my face was red and I told myself "keep going, you can do it".

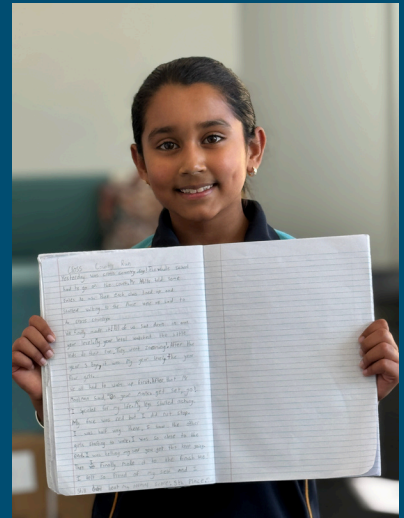

# CROSS COUNTRY RUN

## PRISHA BHASIN (YEAR 4)

Yesterday was Cross Country day! The whole school had to go on the court. Mr Mills told some rules to us. Then each class lined up and started walking to the place where we had to do cross country.

We finally made it! All of us sat down in our year level. My year level watched the little kids do their run. They went zooming! After the year 3 boys, it was my year level, the year four girls.

We all had to warm up first. After that Mr Moolman said "On your marks, get set, go!" I sprinted for my life. My legs started aching. My face was red but I did not stop. I was half way there. I saw the other girls starting to walk. I was so close to the end. I was telling myself "you got this, keep going." Then I finally made it to the finish line! I felt so proud of myself and I still didn't beat my normal score: 5<sup>th</sup> Place!

# WIND

## ARLO MUSTARD (YEAR 5)

Have you ever walked out your door and felt a breeze? It's wind. Wind is just simply, air in motion controlled by the temperature and pressure.

### How is wind created?

Wind is created by the cool ocean air. When the heated up air gets too hot, it rises and the cool ocean air replaces it. When the air swaps, it makes the breeze known as wind.

### How does wind link to navigation?

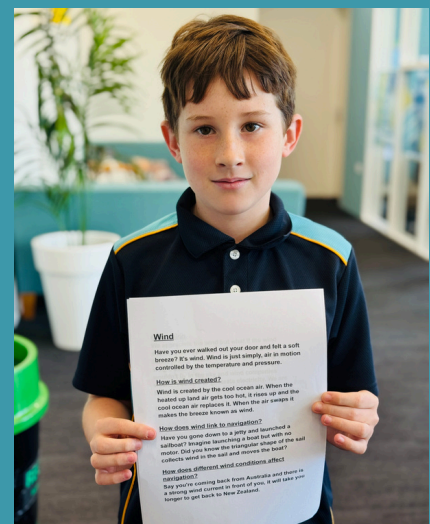

Have you gone down to a jetty and launched a sailboat? Imagine launching a boat but with no motor. Did you know the triangular shape of the sail collects wind in the sail and then moves the boat?

### How do different wind conditions affect navigation?

If you are coming back from Australia and there is a strong wind current in front of you, it will take you longer to get back to New Zealand.

### Conclusion

We appreciate the wind, but what if the wind suddenly disappeared? Birds would be sad because they would have to constantly flap their wings. Sails won't be able to move, kites wouldn't fly in the sky, and wind power companies wouldn't be able to generate electricity. We are lucky that wind is still here.

# KEY DATES

## TERM 2 2025

**Suzanne Aubert  
Catholic School**  
Engage - Inspire - Empower Through Christ

DATES	EVENTS
Thursday 12 June	Fresh Moves (Practice All Day + Performance at Baycourt at 6pm)
Thursday 12 June	Funky Fun Day (Year 1-2)
Friday 13 June	Year 3 - 4 Basketball World Cup
Tue 17 - Thurs 19 June	ERO Review
Thursday 26 June	Year 5 - 6 Basketball World Cup
Friday 27 June	Last Day of Term Two (school reports are published this week)

# Nature Kids Holiday Club

Would you like your children to explore, create and play in nature all day this school holiday?

*"Thanks again for a wonderful two days, they come home so full of joy and wonder, beats any other programmes that are on offer"*

At Nature Kids we,

Connect with nature all day through intentional experiences and free play

Are part of a small, caring group

Build confidence, creativity, curiosity, sense of wonder & so much more!

Have fun and make new friends

Are supported in a nurturing environment, with qualified & experienced educators

EVERY SCHOOL HOLIDAYS  
in Mount Maunganui & Te Puna

*Ask us about  
our In-term  
Nature School*

*"We love your  
programme, the kids  
come back so calm,  
grounded and full of  
stories"*
