

The Aubert Oracle

Suzanne Aubert
Catholic School
Engage · Inspire · Empower Through Christ

MONDAY 6 JULY 2026

Tena koutou katoa whānau. Nau mai, haere mai ki te Hata Meri Hōhepa - te Kura Katorika o Papamoa. As we bring Term 2 to a close, I would like to reflect on recent key learning and memorable moments in the Suzanne Aubert Catholic School community.

- **Learning Celebration:** It was exciting to see our tamariki share their learning from this term's integrated inquiry 'Nature's Medicine' which explored native plants, herbal rongoā and their properties. Our students demonstrated the school value of curiosity and presented their procedure writing, creative writing, maths problems, scientific investigations and artwork. We even got to sample kawakawa tea, kawakawa balm and Matariki soup especially made by the learners!
- **Glow Disco:** We recently hosted our very first school disco in the Pompallier Centre. It was a wonderful night of singing, dancing and special memories. The learners were dressed in their best glowing outfits and enjoyed connecting with their friends in a positive celebration. Many thanks to the sponsors for their support, DJ Aims for providing the beats and the Aubert Whānau Group for all the organisation.
- **Cross Country:** Earlier in the term we held our annual schoolwide cross country at Wairakei Reserve. We were very proud of all our learners who demonstrated great courage, determination and endurance in their races. This event was a positive showcase of school values and the running skills that the students had been learning through our PE and Health curriculum.
- **Chilli - Wellbeing Dog:** We have been very blessed to have Chilli join the Suzanne Aubert team as our school wellbeing dog this term. She attends school one day per week and provides a really positive opportunity for our students to regulate their emotions, reduce anxiety and learn about the care and welfare of animals. Many thanks to Mrs Zillwood for bringing Chilli along to school and the team at Coastal Pet Vet for sponsoring her.

Many thanks for your ongoing support of learning and community at Suzanne Aubert Catholic School. Wishing you all a very blessed and restful term holiday with whānau and friends.

Ngā mihi nui, Anthony Mills (Principal-Tumuaki)

HAERE MAI TO OUR NEW LEARNERS

In week 6 we welcomed 6 new learners to our Suzanne Aubert Whānau. Leonardo has joined Whānau Pachoud and Rebecca and Maya have joined Whānau Gordon - Swart. We are also delighted to welcome Enzo (year 2) to Whānau Thornton and Scarlett (year 2) and Noah (Year 5) who have recently moved down from Auckland and are in Whānau Cartwright and Whānau Moolman. Welcome to Suzanne Aubert tamariki! We now have 212 learners at our kura.

Maya

Rebecca

Leonardo

Enzo

Scarlett

Noah

WELCOME BACK ASHLEE!

After 3½ years of travel and living and teaching in the United Kingdom, we are delighted to welcome Miss Ashlee McPherson back to our teaching team. Ashlee was a foundation teacher at Suzanne Aubert Catholic School and returns to us in term 3 in a fixed-term position teaching our roll growth New Entrant class. Whānau McPherson will be based in the music room in Mangatawa. See a message from Ashlee below:

My name is Ashlee. I grew up in Matamata and first started my teaching career at St Joseph's Catholic School in Morrinsville. I was then lucky enough to be appointed as a foundation staff member at Suzanne Aubert for two years. I left to go travelling both Asia and Europe and taught in London for three years. I have recently returned home and am so excited to be rejoining the Suzanne Aubert whanau!

My teaching strengths include literacy and science and I particularly enjoy finding creative ways to bring learning to life for our tamariki.

Outside of school, I love travelling, staying active through running and hiking, reading, and spending time with family and friends. My overseas experiences have given me the opportunity to learn about different cultures and educational approaches.

I am looking forward to reconnecting with and meeting the students, staff, and wider school community.

*Ngā mihi,
Ashlee*

SCHOOL PRODUCTION 2026

We are very excited to announce that planning is well underway for our school production 'The Legacy of Suzanne Aubert'. This performance will be telling the story of Suzanne Aubert. We believe this is particularly special this year being the centenary of her passing. The story will include scenes from significant moments in her life including her childhood in France, her journey to New Zealand, her missionary work throughout the regions and her connections with community. The production will be performed in the Pompallier Centre over 3 evening shows during Term 4 Week 3 as below. All shows will run from 5:30-7pm:

- Tuesday 27th October
- Wednesday 28th October
- Thursday 29th October

Please see the notice sent on Friday for more details regarding:

- Props and costumes
- Sponsorship
- Auditions

Note: If your child opted to audition for a main part, please encourage them to practice their script and/or song over the holidays so they can be well prepared!

CURRICULUM & REPORTING 2026

As you will be aware, this term we implemented a new framework for reporting to parents about student progress and achievement. This is part of a nationwide shift to align with the revised curriculum for schools across Aotearoa New Zealand. A significant part of this shift is a new metric for measuring student learning which includes the following 5 progress descriptors: Emerging, Developing, Consolidating, Proficient and Exceeding. Your child's mid-year report was published on HERO on Friday. Please see the communications sent on Friday for more details and specific information about these reports and what they mean for you and your child. This notice also includes details about how to book a time through HERO for the upcoming Whānau Learning Conferences next term. Please ensure you schedule a time with your child's whānau teacher as this will help you better understand the mid-year progress report. The dates of the Whānau Learning Conferences are **Tuesday 28th July (1:00-6:30 pm)** and **Tuesday 4th August (3:00-6:00 pm)**.

BAY OF PLENTY CROSS COUNTRY CLUSTERS

We are extremely proud of Harry (Year 6) for his amazing result at the Bay of Plenty Cross Country Cluster on Tuesday 30 June. Competing against 10 year old runners from primary schools throughout the Bay of Plenty, including Rotorua, Whakatane and Tauranga, Harry crossed the finish line in 3rd place earning his place on the podium. Such a fantastic result - congratulations Harry!

AUBERT KID AWARDS

Congratulations to our recent Aubert Kid Award winners. These learners have demonstrated our 7 C's School Values in their learning and friendships. Kia kaha tamariki!

AUBERT KID MORNING TEA

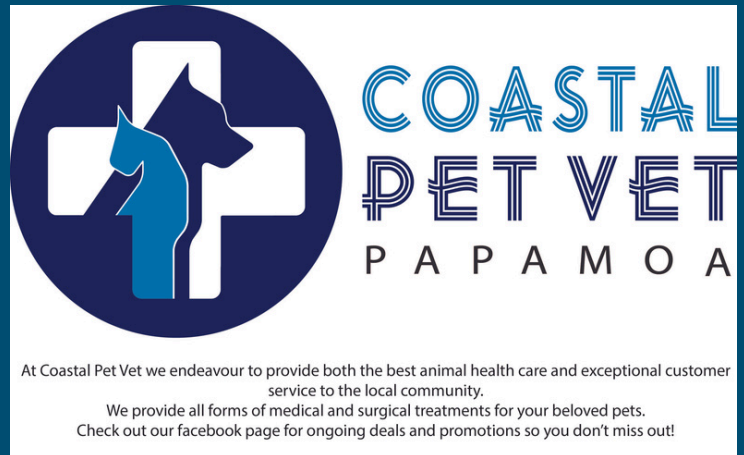

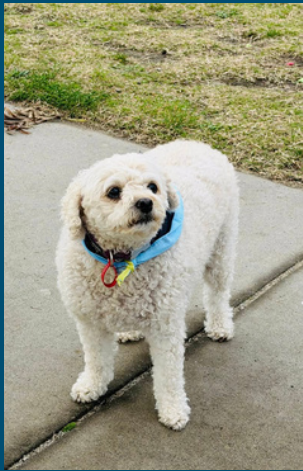

On Friday morning, we held our latest Aubert Kid Morning Tea where our learners joined the staff for morning tea in the staffroom. These learners have all been showing our 7Cs in their learning and friendship.

WELCOME TO SUZANNE AUBERT CHILLI!

This term, we are very excited to welcome a special new member to our school family — our therapy wellbeing dog, Chilli! Chilli is Mrs Zillwood's family pet. She is an 8 year old Bichon-Cavoodle who has been a Wellbeing / Therapy dog at other schools. Chilli is at school in the Mangatawa hub every Thursday and our learners have absolutely loved having her there.

We would like to thank Justin Badenhorst and Coastal Pet Vet Papamoa who have generously offered to sponsor Chilli, supporting her medical and healthcare. This sponsorship will help us provide this wonderful resource for our students' well-being, emotional regulation and learning.

Suzanne Aubert Grandparents & Grandfriends Day Friday 31 July 2026

We will be hosting our annual
Grandparents and Grandfriends
Celebration at school on

11am on Friday 31 July 2026

Our celebration will include a liturgy, a presentation of student learning and will be followed by a shared lunch. Grandfriends from our Parish have also been invited to support those families whose grandparents can't be there. We look forward to seeing whānau, grandparents and grandfriends all there!

We would be grateful if our learners could please bring a small shared plate for their grandparents to enjoy.

TEACHER ONLY DAY - FRIDAY 4 SEPTEMBER

Please be aware that we will be having a Teacher Only Day on Friday 4 September for our teachers to continue professional learning in the revised curriculum. School will be closed on this day.

Special Catholic Character

A Message from our Director of Religious Studies

Amie-Lee Mills

☀ Term Highlights ☀

Compassion, PJs, and Making a Difference!

What an incredible term it has been! As we wrap up and look back, our hearts are absolutely full. Our students have shown what it truly means to live out our faith, bringing joy, kindness, and a bit of cozy fun to our school community. Following are some of the shining moments from this term:

Celebrating a Legacy: Suzanne Aubert's 191st Birthday!

This term, we paused to celebrate and remember the incredible Suzanne Aubert. It has been 100 years since she passed away, and this year she would have been 191! To make the occasion even more special, we received a beautiful letter from the Sisters of Compassion. They asked our children a wonderful question: What have you learned from Suzanne Aubert about compassion, how can you show it to others, and how have others shown it to you? The responses from our students were profoundly moving, full of insight, love, and genuine empathy. Two examples of our students' letters are below. These very letters are being sent straight to the Home of Compassion to be added to the archives and preserved in the Suzanne Aubert Memorial Museum. What a special opportunity!

To the home of compassion

On Suzanne Aubert's birthday I was super excited because 1, I really look up to her and 2 guess what! I got to share some writing about her in front of the whole school with my best friend Quinn!

Now I will answer the Questions that you asked: I think that compassion is showing love to others even the smallest actions make a big difference some times! All of my family, friends, classmates, teachers and even you have shown compassion to me!

Sometimes showing compassion can be the simplest actions like holding a door for someone or giving a compliment! Living with others every day means to simply just open your heart eyes all the time!

Blessing
from Esme Jarvis

Home of Compassion

June 23 2026

Dear Home of Compassion

Suzanne Aubert was truly an amazing woman. She showed all of our 7C's perfectly, like Compassion, Courage, Collaborative, Creative, Christ-Like, Connected, Curiosity. Our school is proud to be here and teach people about her. Many people in my life constantly teach me to be kind like my whānau, friends, family, and even strangers.

When I think of compassion, I feel like it is walking in the footsteps of Jesus. What would be the how? True kindness doesn't have to be forced or be too grand. Random acts of kindness can be in any way. Giving a compliment to anyone, giving a helping hand like asking the teachers if they need any help. To me, kindness is everywhere. If you're kind to someone it might make their day a little brighter!

Whenever someone shows me an unexpected act of compassion it makes me feel warm and happy. This is exactly why I chose to attend this school, to be like Jesus, to be Christ-like, set a positive example, and offer those who are struggling with ever lasting love and kindness.

With lots of aroha and respect, Claudia Vergara

PJs, Teddies, and Big Hearts: YCC Day!

Next up was YCC (Young Catholics Care) Day, and let's just say compliance with the uniform policy was very relaxed that day! We had an absolute blast dressing up in our coziest pyjamas and bringing our favourite soft friends along for the ride. But behind the fluffy slippers and teddy bears was a powerful mission. The gold coin donations we collected are going toward a fantastic cause. This year, we are standing in solidarity with Takuilau College in Tonga.

We are helping them transform their music room with much-needed equipment, including:

- 🥁 Musical instruments
- 🪑 Chairs
- 🖨️ Printers, and more!

This brand-new space will give the students of Takuilau College the room to practice, create, and bring the joy of music to life. We joined hands with Catholic schools all across Aotearoa to make a real, lasting difference for our brothers and sisters in Tonga. Every single coin truly counts!

Wishing You a Blessed Holiday

As we head into the break, we want to say a massive thank you to our wonderful school families for your ongoing support. May you all have a beautiful, restful, and blessed holiday with your loved ones. As our students have beautifully demonstrated all term, let's go into the holidays remembering that faith with compassion is everything.

Blessings,
Amie-Lee (DRS)

TAURANGA REGIONAL CHESS COMPETITION

Six of our year 3-4 students from Mangatawa, proudly represented Suzanne Aubert at the Tauranga Regional Chess Competition at St Marys recently. The boys showed great focus, determination, and sportsmanship throughout the day, competing against students from schools across the region. Along the way they learned a few new rules, gained valuable experience, and most importantly had lots of fun challenging themselves at a higher level of competition. We are incredibly proud of how well they all played and represented our school. We look forward to seeing them build on their skills and return even stronger next year! Well done, boys!

LEARNING CELEBRATION - NATURE'S MEDICINE

In week 10 we hosted our Learning Celebration to share the wonderful learning that our tamariki have been engaged in throughout the term as part of our 'Nature's Medicine' inquiry. Our learners have explored the many benefits of native plants and how they can be used in herbal rongoā (medicines). Suzanne Aubert herself was a champion of rongoā practice and developed her own range to support the health and healing of the local and global community. This inquiry demonstrated our school value of 'Curiosity' and integrated across the curriculum. The learners shared their procedure writing, creative writing, maths problems, scientific investigations, artwork and we got to sample the kawakawa tea and kawakawa balm made especially by the students! We also shared some yummy Matariki Winter Soup made from the produce in our school's edible gardens. In our schoolwide gathering, we were also treated to a beautiful performance by the Kapa Haka Rōpu.

Thank you to our learners for the way you engaged and shared your learning - we are very proud of you all. Thank you also to our parents and whānau for joining the celebration - it was awesome to see so many of you supporting our tamariki in their learning.

GARDEN GLOW DISCO

Our Garden Glow Disco this term was a huge success! The Pompallier Centre was buzzing as our tamariki — and quite a few parents too — arrived dressed in their amazing garden and glow-themed outfits. The dance floor was pumping with beats from our resident DJ, Aimz, and it was fantastic to see so many children having such a great time and showing off their awesome dance moves.

A huge thank you to our Aubert Whānau Group, especially Sammy and Addi, for all the hard work in organising such a fun and memorable event.

We also extend our sincere thanks to all of our generous sponsors:

- ✦ Estelle Johnson and Lou Vockins - Ray White
- ✦ New World The Sands
- ✦ Amy's Face Painting
- ✦ Dr Bugs Popcorn
- ✦ Four Square Papamoa
- ✦ Coffeecup Cart

What a great night of community, fun, and glowing memories!

SCHOOLWIDE CROSS COUNTRY

The sun was shining for our school cross country which was held at the Wairakei reserve on Wednesday 27 May. Our tamariki had all been training hard for the cross country as part of our PE curriculum and it was awesome to see them giving it their all and showing our 7 Cs. It was also wonderful to see our learners cheering their peers on and really getting into the spirit of the event. Thank you to Mr Piermarini for organising such a great event, all of the parent volunteers and helpers who helped out with setting up, marshalling and cheering on the runners and the Aubert Whānau group for running the well needed sausage sizzle after the races. The sausage sizzle was once again a massive hit with the tamariki after their big run! Thank you to everyone for supporting this fundraiser! A big big thank you also to Estelle Johnson - Ray White Papamoa for donating the sausages and bread and supporting our school Community!

SPORTS UPDATE

The annual Basketball World Cup for years 3-4 and 5-6 students was recently held at Mercury Bay Park arena. Both the SACS Celtics (year 3-4) and SACS Breakers (year 5-6) took part. This is a great day of basketball, where teams compete against other local primary schools. Each team is assigned a different country to represent and they then dress up in the colours of that team. This year our Year 3-4 team were China and our Year 5-6 team were Italy. Team Manager Jan, sums up the SACS Breakers experience below:

It was a fantastic showing from the team. We kicked things off strong with two dominant wins over Matapihi and Fairhaven. Our third game against St. Mary's was an absolute battle. We initially took the win by a single point, but a later overturned decision forced a shootout 45 minutes after the buzzer, which unfortunately didn't go our way. The boys channelled that frustration perfectly, bouncing back with a massive 42-0 win over Pyes Pa, before wrapping up pool play with a tough 18-8 loss to Bethlehem School (the eventual tournament winners). With only the top team advancing, our final two matches became consolation games. The boys fought back hard from a deficit against Mount Maunganui, just missing out by 2 points, and finished the long day strong with a big win over Omanu.

The Big Picture - It was a grueling day with the turbo ball format, and the team were understandably knackered. However, the real value was getting quality court time and measuring ourselves against top-tier teams.

CROSS COUNTRY CLUSTERS

After placing in the top 5 of their year level at our school cross country, a group of our year 4, 5 and 6 students competed in the Papamoa Cluster Cross Country on Tuesday 3 June. Our tamariki showed a lot of courage competing against the top 5 runners in their year level from each of the other local primary schools. There were some great results on the day with a particular mention of Harry, Beau and Lachy. Beau placed 4th in the year 4 boys, Lachy was 5th in the year 5 boys and Harry managed to stave off the opposition to win the Year 6 Boys event. They went on to compete at the Western Bay Cross Country Clusters on 16 June where Harry did amazingly well, coming in 4th place.

GYMNASTICS SUCCESS

Congratulations to Esmée and Penelope who represented Suzanne Aubert at the School Gymnastics Festival on Friday. Competing in Step 2, Penelope placed first and Esmée placed second.

Penelope also competed in the recent Women's Artistic Gymnastics (WAG) Step 2 competition, placing 3rd in Uneven Bars, and ended up finishing 3rd Overall.

YEAR 1-2 FUNKY FUN DAY

Last week, our Year 1 and 2 learners from Hikurangi attended the Funky Fun Day at Mercury Arena, a non-competitive event focused on active participation, teamwork, and trying new sports. Our young students made us so proud demonstrating our 7Cs in action by being collaborative and connected with peers from other schools, curious as they explored new activities, and courageous in giving every challenge their best effort. The children had so much fun rotating through an action-packed range of activities—including balloon badminton, ten-pin bowling, floorball, football, team relays, and an active play zone—before wrapping up the day with some closely contested tug-of-war challenges. Thank you to the wonderful parents who volunteered their time to assist with transport, provide supervision, and cheer on our teams with such enthusiasm!

YEAR 3 - 4 FUNKY FUN DAY

Our Year 3 and 4 learners from Mangatawa also had the opportunity to participate in Funky Fun Day at Mercury arena. They had a great day competing in teams of 10 against three against three other local primary schools - Pongakawa, Otamarakau and ACG. Our learners showed outstanding sportsmanship and demonstrated our core values by being collaborative, compassionate, and brave enough to try out some brand-new sports.

A massive thank you to all the wonderful parents who helped with transport and supervision. We could not do these events without you!

KEY DATES

TERM 3 2026

**Suzanne Aubert
Catholic School**
Engage - Inspire - Empower Through Christ

DATES	EVENTS
Monday 20 July	First Day of Term 3
Wed 22 - Fri 24 July	School Production Main Cast Auditions (Year 4-6 only)
Thurs 23 - Fri 24 July	Kids Can Ride (Year 5 - 6)
Tues 28 July	Learning Conferences Day 1 (1pm - 6.30pm)
Wed 29 July	Board Meeting at 5:30pm
Friday 31 July	Grandparents and Grand Friends Day at 11am
Tues 4 August	Learning Conferences Day 2 (3pm - 6.00pm)
Monday 17 August	Aquinas Interviews (onsite in the afternoon) - Year 6
Friday 21 August	Bingo Night in the Pompallier Centre
Wednesday 26 August	Winter Tournament - Year 5 - 6 (Postponement 28 August)
Wednesday 26 August	Community Consultation Event (5.30 - 7.30pm) More details to come
Thursday 27 August	Suzanne Aubert Year 5-6 Speech Finals
Wednesday 2 September	Speech Clusters Competition at Suzanne Aubert
Friday 4 September	TEACHER ONLY DAY - School is closed
Wed 9 September	Board Meeting
Friday 25 September	Last Day of Term 3
Tues 27-Thu 29 October	School Production Performance 'The Legacy of Suzanne Aubert'

DANCE PERFORMANCE

Over the weekend, a number of our tamariki performed in Diamond Studio's major dance Show. Students from year 2 through to year 6 were involved, with a couple of our girls being involved in dancing 8 - 10 dances. It was a fabulous display of talent and our Suzanne Aubert dancers all participated positively and encouraged their peers along the way. We are eally proud of them all!

Aubert Authors!

ANNIE WEEDS (YEAR 1)

I went to Zoe's house and saw her cat Milly Moo.

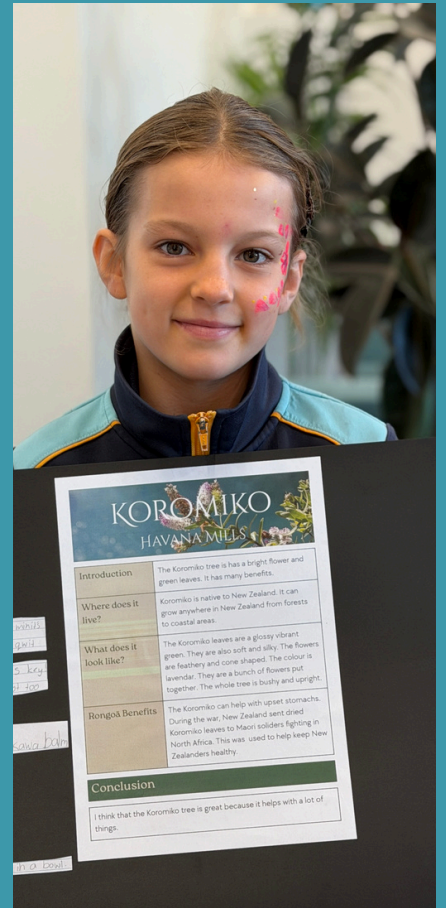

KOROMIKO HAVANA MILLS

Introduction	The Koromiko tree is has a bright flower and green leaves. It has many benefits.
Where does it live?	Koromiko is native to New Zealand. It can grow anywhere in New Zealand from forests to coastal areas.
What does it look like?	The Koromiko leaves are a glossy vibrant green. They are also soft and silky. The flowers are feathery and cone shaped. The colour is lavender. They are a bunch of flowers put together. The whole tree is bushy and upright.
Rongoā Benefits	The Koromiko can help with upset stomachs. During the war, New Zealand sent dried Koromiko leaves to Maori soliders fighting in North Africa. This was used to help keep New Zealanders healthy.

Conclusion

I think that the Koromiko tree is great because it helps with a lot of things.

KOROMIKO HAVANA MILLS (YEAR 4)

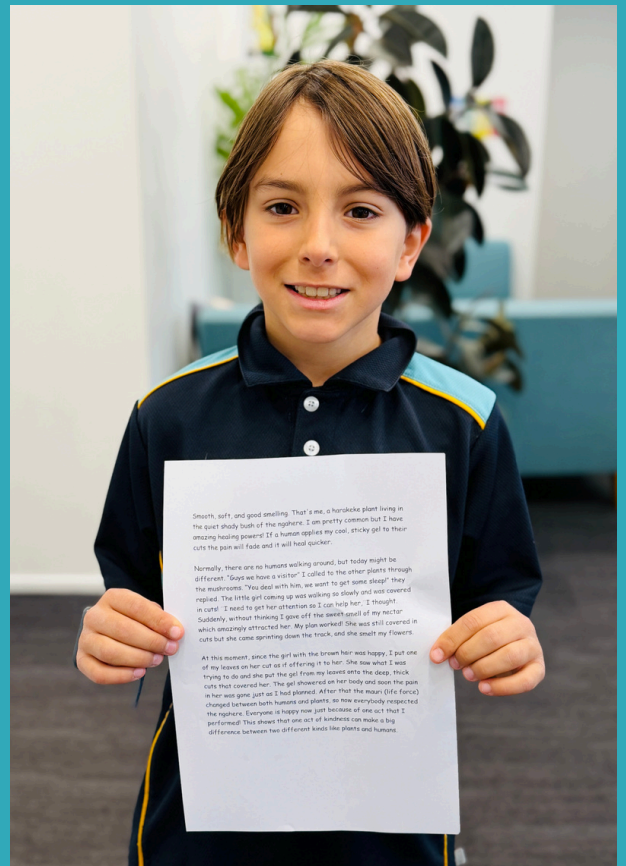

Aubert Authors!

HARAKEKE EZRA BADENHORST (YEAR 5)

Smooth, soft and good smelling. That's me, a harakeke plant living in the quiet shady bush of the ngahere. I am pretty common but I have amazing healing powers! If a human applies my cool, sticky gel to their cuts, the pain will fade and it will heal much quicker.

Normally, there are no humans walking around, but today might be different. "Guys we have a visitor" I called to the other plants through the mushrooms. "You deal with him, we want to get some sleep!" they replied. The little girl coming up was walking so slowly and was covered in cuts. I need to get her attention so I can help her," I thought. Suddenly, without thinking I gave off the sweet smell of my nectar which amazingly attracted her. My plan worked! She was still covered in cuts but she came sprinting down the track and she smelt my flowers.

At this moment, since the girl with the brown hair was happy, I put one of my leaves on her cut as if offering it to her. She saw what I was trying to do and she put the gel from my leaves into the deep, thick cuts that covered her. The gel showered on her body and soon the pain in her was gone, just as I had planned. After that the mauri (life force) changed between both humans and plants, so now everybody respected the ngahere. Everyone is happy now just because of one act that I performed! This shows that one act of kindness can make a big difference between two different kinds like plants and animals.
