## Message from our Tumuaki

FRIDAY 6TH SEPTEMBER

Tena koutou katoa whānau. Nau mai, haere mai ki te Hata Meri Hōhepa - te Kura Katorika o Papamoa. It has been a wonderful term of learning so far as we explore our concepts 'Weaving our World' through the overarching values of creativity and collaboration. I am incredibly proud of our tamariki and their many achievements across the curriculum including their academic learning, spiritual growth and in the sporting arena. At Suzanne Aubert, our learners demonstrate such courage and commitment to give everything a go and make the most of all opportunities presented to them. This term it has included:

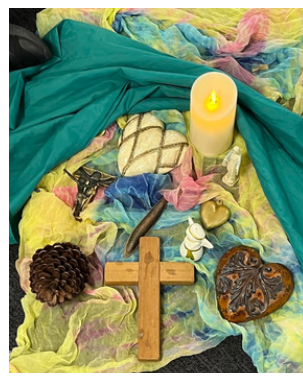

- Writing and presenting informative, persuasive and thought provoking speeches for their classmates
- Working collaboratively to create engaging games and sports as part of our integrated inquiry
- The excellence and achievement of our winter sports teams with a special mention to our Year 6 Netball, Year 4 Basketball and Year 2-4 Gymnastics teams
- The courage and creativity of our learners who performed at the Aubert's Got Talent and local interschool Papamoa's Got Talent competitions
- Collaboratively creating beautiful and sacred prayer spaces for their classes

It was also very special to celebrate the blessing and opening of our Orchard Grove this week. I was very proud to see so many generations connecting together to plant their fruit trees for future generations. It is great way to leave a legacy, become part of history in our learning community and demonstrate a sense of kaitiakitanga for God's creation. One of our learners even had her 92 year old Oma attending! Thank you to Nina and the PiPS team and all whānau who donated trees - we are incredibly grateful and really appreciate your support.

As you will be aware, I am away from school for the next 3 weeks participating in an international Study Tour alongside Mr Piermarini and other local school leaders and will be travelling to Australia, Dubai and England. We will be visiting other schools and exploring concepts such as innovative practice, structured literacy and maths, educational leadership and school culture. We look forward to this exciting professional learning opportunity and the value it will add to our Suzanne Aubert learning community in the future. I look forward to connecting with you all when I return!

In the meantime, please enjoy this panui of highlights from our term so far.

Ngā mihi nui, Anthony Mills (Principal - Tumuaki)

## HAERE MAI TO OUR NEW LEARNERS

At the start of term 3 we welcomed seven new learners into our Suzanne Aubert Whānau. Joining our new entrants in Whānau Pachoud and Whānau Cartwright are Isabel, Cian, Pedro, Gwen, Remy and Reagan. We are also excited to have Sadie joining Whānau Newlands in Year 4. Sadie's cousin Lucy is in Whānau Swart-Mills and she joins us from Golden Sands. Welcome to the Aubert Family tamariki!

## TAURANGA PRIMARY SCHOOL'S MUSIC FESTIVAL

What a fantastic night it was! After a term of preparation, including giving up Tuesday lunchtimes and Thursday mornings, our choir took the stage at Baycourt Theatre on Monday, August 26th. We performed alongside choirs from Greerton Village, Pahoia, St Mary's Tauranga, and Bethlehem Primary Schools. Accompanied by a professional band featuring bass guitar, drums, and grand piano, and conducted by Mr. Jeremy Hantler, the concert was a remarkable experience. This year's theme was "Songs From Disney Movies," and our students worked hard to memorize the lyrics and two-part harmonies for all thirteen songs. Their dedication truly paid off, as the next morning brought beaming smiles and eagerness to do it all again next year! I even heard some say, "It was the best day of our lives!" Congratulations to everyone for an outstanding performance!

## ORCHARD GROVE - TREE PLANTING

We were truly blessed with a beautiful spring day for our Orchard Planting On 4 September. It was a wonderful occasion where our school community gathered together for a blessing of the orchard grove and fruit trees, before our families who had sponsored a tree planted them. Our orchard was designed by Nina, the team from PIPS and our learners to create a space to grow fruit for our school community. We are grateful to all those who helped make this possible:

- Nina, Clare and the team at PiPs for designing and managing the orchard grove
- Tropicana and Palmers Bethlehem for providing the beautiful fruit trees
- Les our caretaker and our year 5-6 Kaiarahi who helped design, dig holes and prepare the area for planting
- Father Eamon for leading the blessing of our orchard grove with holy water
- All our school families who have generously sponsored fruit trees for the orchard grove (we also acknowledge those families who are eager to sponsor a tree for stage 2 of the grove)
- Bob Gillon for kindly chopping a log of Manuka into 40 little plaques for us to engrave with the sponsors name for each of our trees
- Deearn Strawbridge and Kate Magill for taking photos of the celebration.

We feel so lucky to have such a supportive school community and look forward to watching the trees grow and bear fruit for future generations. #Connected #Creative #Collaborative

## PAPAMOA'S GOT TALENT

What an amazing night at Papamoa's Got Talent! Our students shone brightly last night, and we couldn't be prouder!

- **Mikey** wowed everyone with his solo singing performance and took home 3rd place overall!
- **Thea** dazzled with her solo jazz dance and received the Emerging & Upcoming Talent Award!
- **Maddy** impressed the judges with her hula hoop dance, earning the Most Creative Act Award!
- **Manaia** did incredibly well in her solo contemporary dance and truly impressed the judges!

A huge shoutout to these learners for their incredible performances. All of our acts were truly outstanding!

A big thank you to the whānau for your support in getting them to rehearsals and helping them prepare for their big night. We also want to extend our gratitude to the community for coming along to support our talented students.. Well done, everyone  
#connected #creative

## PRIMARY SCHOOL'S GYMNASTIC FESTIVAL

On Friday Te Puke Gymsport held its Annual Primary Schools Gymnastics Festival. The competition is open to all schools in the Tauranga region, and it was our first year competing with seven of Suzanne Aubert's finest young gymnasts.

Our Yr 2-4 team came away with 1st place! Congratulations to Esmee, Lucy, Isla, Ella and Arden. We also did well in the individual placings with Esmee coming 2nd overall, Lucy 4th and Isla 5th. Ryland and Izzy did an amazing job competing in the year 5-6 category, with Ryland coming 6th overall.

The team did incredibly well and can all be very proud of themselves. They learnt their routines in less than a month with only a handful of practices and competed with confidence, style and grace. It was a great day and we will definitely be back next year!

# AUBERT KIDS

Congratulations to our recent Aubert Kid Award winners. These learners have demonstrated our 7 C's (Principles for Living and Learning) in their learning and friendships. Kia kaha tamariki!

## Aubert Kid Morning Tea

Our Tamariki who have received Aubert Kid awards over the past five weeks were invited to enjoy morning tea in the staff-room with our staff on Friday. It is definitely worth living up to our 7 Cs - Christlike, Courageous, Curious, Compassionate, Creative and Connected.

## CELEBRATIONS

Congratulations to Marcus who participated in a Chess tournament in Hamilton over the weekend. Marcus won first place in the "Knights Division ." Kua pai te mahi.

Congratulations to Jacob also who received the award for Defender of the Year 2024 for his under 10's Papamoa rugby team this weekend.

## INTERNATIONAL STUDY TOUR

At the end of this term, Mr Mills and Mr Piermarini will be travelling overseas on an international study tour along with a group of Principals and Deputy Principals from 8 local schools. They will both be travelling to Gold Coast, Australia on 7 September and Mr Piermarini will return on 15 September. Mr Mills will then continue to travel along with the Principals group to Dubai and the UK. He will return on 27 September (last day of term). The focus of the study tour is to explore the pedagogies, innovative practice, learning culture, educational leadership and operations of a wide variety of high performing schools based in Australia and England. This tour is funded by the Ministry of Education who recently awarded Principals across New Zealand additional funding for professional learning and wellbeing. Please note that during week 8 while both Mr Mills and Mr Piermarini are away from school, Ms Waddel will be in the Acting Principal role. During week 9-10, Mr Piermarini will then take up the responsibility of Acting Principal while Mr Mills is still away. Please direct any correspondence during this period to Ms Waddel and Mr Piermarini accordingly.

## WEAVING OUR WORLD

As part of our term 3 learning concept "Weaving Our World," our learners in Hikurangi had a visit from a group of the ladies from the Te Puke and Mount Maunganui Creative Fibre groups. Our tamariki learned lots of interesting facts about weaving and were able to see some woven baskets, clothes and a number of different types of looms. We learned that many different fibres can be woven, including those from sheep, goats, rabbits and silk worms. Interestingly we were also told that it is possible to weave milk! The children then had a turn at weaving themselves. Such a fantastic learning opportunity. [#Creative](#) [#Collaborative](#) [#Connected](#)

## SPEECH FINALS

Congratulations to our speech finalists who performed their speeches this morning. Our year 5 finalists were Xavier, Izzy, and Imogen and our year 6 finalists were Nelle, Manaia, Sayla, Domenico and Lewis. Well done to Sayla who placed first with her speech about "Saying Sorry." Domenico was a very close second talking about "Why Dyslexia is a Super Power" and in third place was Xavier with his speech "How to give disadvantaged Kiwis a better life." Sayla will go on to represent Suzanne Aubert Catholic School in the year 6 category at the Papamoa Speech clusters and Xavier will compete in the year 5 category. A big thank you to Lorraine Mooney and Kevin Piermarini for judging the competition. [#Creative](#) [#Courageous](#)

# Special Catholic Character

A Message from our Director of Religious Studies

## DRS Term Wrap-up and Service September

As I wrap up another fantastic term as DRS, we're thrilled to share the amazing growth and accomplishments of our learners. From academic achievements to personal development, our students have truly excelled.

As we head into Service September, we encourage all learners to bring in non-perishable food items, care products, and toiletries to contribute to our community outreach efforts. Let's show our support for those in need and make a positive impact on our community.

## RCIC Program: A Path to Catholic Faith

If your child is interested in taking their first Holy Communion or becoming Catholic, the RCIC (Rite of Christian Initiation for Children) program will begin next year during Lent and continue throughout the year. This program provides a comprehensive journey of faith formation, guiding children and their families towards a deeper understanding and appreciation of Catholic beliefs and practices.

If you're interested in enrolling your child in the RCIC program, please feel free to come and speak with me. I'd be happy to provide more information and answer any questions you may have.

## October: The Month of Mary

In October, we celebrate the significance of Mary, the mother of Jesus. Mary's role in Christian faith is profound, as she is revered for her unwavering faith, humility, and compassion. Let us reflect on Mary's example and strive to emulate her virtues in our own lives.

**'Some of our greatest insight's come from discussing 'Life' with friends.'**

ALPHA begins here at St Thomas More on the **3<sup>rd</sup> October at 6.30pm** in the parish centre. Alpha gives you a chance to ask questions? Discuss and discover.

### COME AND JOIN US FOR `FOOD - TALK - DISCUSSION`

Alpha is open to everyone, but especially suited to those who want to investigate Christianity, those who may not attend a church, those who want to grow in understanding of faith, and those who are just plain curious!

Alpha is also a great opportunity for people of faith to explore the foundations more deeply.

## PRAYER SPACES

Over the past two weeks, our Kura has been lucky to have Dianne Porter, the Religious Advisor for Catholic Schools in our Diocese, spending time in our learning hubs. Dianne shared her precious taonga and taught our children about creating meaningful prayer spaces using objects, colours, and symbols. The children thoroughly enjoyed learning this new and creative way to pray. We are incredibly grateful for Dianne's wisdom and presence in our school community

### Help PiPS Charitable Trust crowd launch Veg Babies.

Love the idea of growing your own food but not had much success and are unsure where to start? Veg Babies is a seedling subscription service that is especially designed to make growing food at home easy. Once a month a small selection of veg and herb seedlings arrive to your door, designed to fit in a small vege patch and guarantee a year round harvest, complete with weekly mentoring videos to keep you on track.

All proceeds will go to teaching children how to grow food in the PiPS school garden programmes.

## SPORTS UPDATE

### PAPAMOA CLUSTER WINTER SPORTS TOURNAMENT

The Papamoa Cluster Winter Sports tournament was held on Friday 23 August at various locations around the Te Puke / Papamoa area. Our Year 5 - 6 tamariki all had the opportunity to compete in a number of different sporting codes against the other local Papamoa primary schools - Tahatai, Papamoa Golden Sands and Te Manawa O Papamoa. The sports on offer included netball, Rippa Rugby, basketball and football with all teams having to be mixed girls and boys. The teams had a mixed bag of results with some wins some losses and a couple of draws. The highlight was our Year 5 Netball team winning the Year 5 competition.

### BAY OF PLENTY INTERSCHOOLS CHESS COMPETITION

A talented group of students represented our school on Wednesday at the Bay of Plenty Interschools Chess competition. It was an intense day! Their strategic thinking, focus and sportsmanship shone brightly as they matched their wits against players from 22 other schools across the region. A huge congratulations to each student who participated. Your enthusiasm & teamwork were commendable. A highlight was our A team finishing in 7th place (our of 23 teams). A special thank you to our parents for taking us across to the Greerton Community Hall and for your support and encouragement.

## SPORTS UPDATE

### AQUATIC SURVIVAL SKILLS

Our Year 5 & 6 tamariki were fortunate to take part in the Aquatic Survival Skills programme. This included 3 in-class theory lessons and a practical lesson at Fulton Swim School. Our learners learnt so much through this programme and enjoyed every moment spent with the amazing instructors.

### SPORTING HIGHLIGHTS

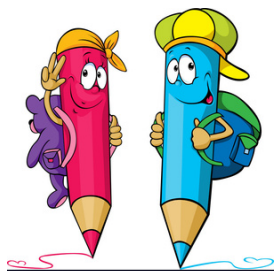

Our Year 4 basketball team, the SACS Lakers have had a tremendous season culminating in a dominant win in the Grand Final defeating St Marys 18-2. The boys have all worked hard on their skills in only their second year of playing basketball. To put their improvement in perspective, in our first ever game in 2023 the core group of players in our squad experienced a deflating 22-2 defeat, fast forward 12 months on, these boys win our first silverware on the exact same court. The win is a by product of the parents love, support and sacrifice to ensure their child is ready each week of the season which made the coaching (Sa) and managing roles (Jan) so much easier. The boys demonstrated the schools key principles of "Christ-like", "Compassion", "Connected" and "Collaborative" to play a complete team ball game and the hard work and dedication to improve each week paid off.

Our Year 6 Netball team, the SACS Magic, also finished the season on a high being awarded Runner Up in their division. The girls were presented with a trophy that is now proudly displayed in our school reception area.

Adelia Mathisen (Year 1)  
I went to Disney on Ice.  
I Love Rapunzel.

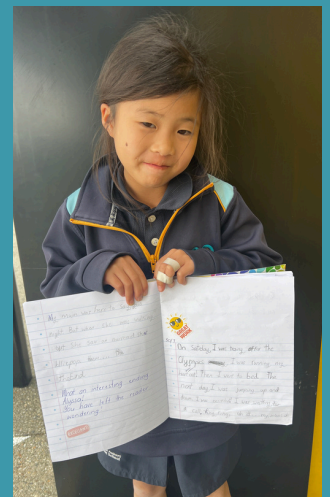

The Olympics  
Alyssa Chooi (Year 2)

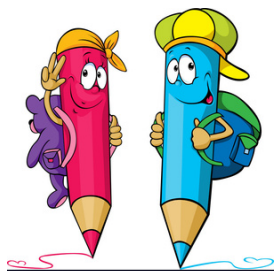

On Saturday I was training for the Olympics, I was running my heart out. Then I went to bed. The next day, I was jumping up and down. I was exhausted. I was waiting for a call. Ring ring. Oh it's....my mum (sigh). "Hi, did you get the call?" "No!" I said in an angry voice, I hung up. Ring ring. Oh it's the Olympics. "Hi, I think you're excited." "Oh yes I am." "You got.....in for Athletics." "Are you joking." "No" I screamed. "I'll start practicing, ok."

I went and told my family. I was happy crying. They thought I didn't get in. Then there was a knock. "That was my mum" I told them. They all went on their iphones and bought their tickets. I'm going up Papamoa Hills. For 4 hours!

After that I packed my bag, then I drove to the airport. My family came too. We said, "we want to go to Paris, France." "Ok, how many people?" "Four" my dad said. "Ok, that will be \$500" "I'll pay" said my sister. Next we got on the airplane and then we noticed that we got first class. "Ah, this is the life" I said. I put the chair back and fell asleep. We will be landing soon. Finally, I got there! The day has come! I was lane number 4. Three, two, one! After a little while, I got Gold!

## Italy Trip by Giulia Bressi (Year 1)

Hi my name is Giulia and this is my trip to Italy. I went with my mum to see my family members. We went to lots of amazing places.

Slide 1: We saw the Colosseum. This is where gladiators would fight each other.

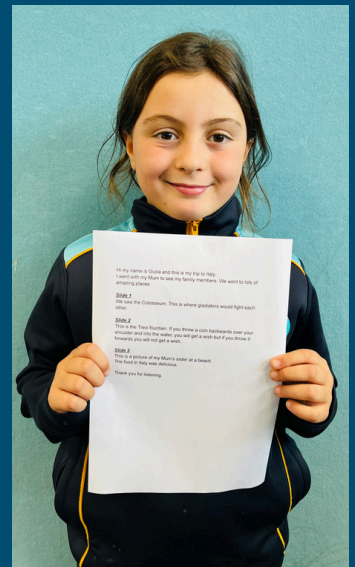

Slide 2: This is the Trevi Fountain. If you throw a coin backwards over your shoulder and into the water, you will get a wish but if you throw it forwards you will not get a wish.

Slide 3: This is a picture of my mum's sister at a beach.

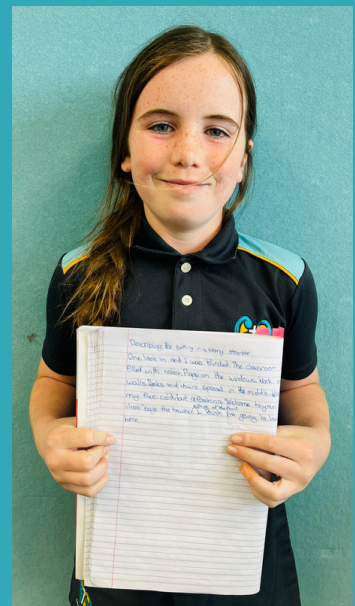

The food in Italy is delicious.

## Describing the Setting in a Story Starter Katie Dunne (Year 6)

One look in and I was blinded. The classroom filled with colour, Flags on the windows. Work on the walls. Desks and chairs spread in the middle. Wind on my face. Cold, but refreshing. "Welcome to my class" says the teacher sitting at the front. I think I am going to love it here.

## CHRONICLES OF TIME TRIVIA NIGHT

Our Chronicles of Time Quiz night was a great success complete with quizzing, games, nibbles and loads of laughs. Attendees all came dressed as an era in time, with a variety of eras covered off, including Elizabethan times, the eighties, sixties and even a table of masked and covered up medical professionals from recent Covid times. Congratulations to Stu who was awarded best dressed, arriving looking like he had come straight from Woodstock.

The Aubert Whānau Group appreciate the support from our school parents and the wider community and would like to extend a special thanks to a few individuals who contributed not only on the night but also in the lead-up to the event:

- A huge shoutout to Papamoa Tasman Holiday Park for providing a spectacular venue and being so accommodating.
- Cons Kleanthous, for stepping in as quiz master at the last minute and smashing it out of the park.
- Pete Harrington, for handling the introductions.
- Paul Nalder, for managing the AV and doing the slides.
- Jordan Seivwright from Eves Real Estate, for conducting the live auctions and bringing an uplifting atmosphere to the bidding.
- Danielle & James Harris, for organizing the bins.

We would also like to express our gratitude to the incredible sponsors and families who made generous donations.

A special mention also goes to the Aubert Whānau group and the additional parents who joined the trivia planning team. Your teamwork and dedication played a significant role in making the night a success. Thank you to Kara Smith, Agnès Peyron, Victoria Dawson, Amber Kedian, Leroy Strode, Jenè Mathisen, Pip Phillips, Nikki Guthardt, Rata Campbell, and Sarah Jory.

Thanks again from all of us:
